About Our Coffee

Indulge in the vibrant essence of Soho with our Soho Blend. Crafted from a harmonious blend of Arabica and Robusta beans sourced from Uganda and Ethiopia, this blend embodies the rich cultural tapestry of Soho. With flavor notes of rich chocolate and red wine, each sip offers a delightful fusion of sweet and fruity undertones. Our beans are roasted fresh weekly to order, ensuring that every cup delivers the perfect balance of flavors. Experience the creamy body and subtle fruitiness of our Soho Blend, a true reflection of the dynamic spirit of London's iconic neighborhood.
